1 ☐ Comment: All trucks are military unless otherwise designated. It should be noted that observation point does not permit [redacted] actual destination, [redacted]

2 ☐ Comment: Of the 48 trucks reported on 16 April, a total of 30 trucks and the jeep traveled on the Dushakh-Sarakhs road; 18 trucks and the jeep going in the direction of Sarakhs from Dushakh, and 12 trucks coming from the direction of Sarakhs to Dushakh. A check of old reports indicates no such concentration of vehicles in a single day between Dushakh and Sarakhs on the Sarakhs road, although 14 trucks used the road in April 57, two days previous, of the total of 30 trucks reported for that day.
